

Custom training, proven impact

Bespoke

Custom eLearning solutions built around your organization, your goals, your culture, and your people. From fast-track course builds to fully immersive, cinematic learning journeys, we design training that doesn't just check a box, it changes behavior.

With instructional design expertise, award-winning creative designs, and a flexible four tier delivery model, LRN's custom training transforms your content into learning that sticks.

Design

Co-create a tailored learning experience built around your content and culture

Develop

Bring your training to life with scenarios, interactivity, and immersive storytelling

Deploy

Deliver tailored learning experiences designed to meet your organization's unique needs

Four tiers, one partner

- From content-ready foundation builds to fully immersive advanced experiences
- Flexible solutions that match your timeline, budget, and ambition

Brand every experience

- Localize bespoke content for regional compliance and cultural relevance
- Available in 70+ languages, compatible with any LMS

Built around your content

- We work with what you have: decks, docs, policies, or prior training materials
- Light-touch or deep-dive instructional design, depending on your needs

Outcomes you can measure

- Training designed with engagement and retention at its core
- Pair with LRN's analytics suite to track impact and identify gaps
