Unlock deeper insights

Catalyst Reveal provides an unmatched, granular view of your ethics and compliance program with advanced KPIs, longitudinal data, and AI-driven insights.

What you can analyze:

- Campaign completion
- Course session times
- Knowledge check attempts
- Ethical culture
- Learner satisfaction
- Code of conduct insights
- Disclosure submission & review
- Benchmark against peers
- Longitudinal analysis
- Drilldown & advanced filtering
- Program maturity assessment

Topline insights, at your fingertips

The **Insights Tab** gives you the essentials you need with AI-powered summaries and visuals of key data points

2x

High-impact E&C programs are nearly twice as likely to use benchmarking, reporting data, and advanced tools like analytics and automation for real-time compliance management.

“...tracking user progress and reporting on it has **saved us a lot of time** from having to go in and build these reports ourselves.”
